Upon the motion (the "Motion")<sup>2</sup> of the above-captioned debtors and debtors in possession (collectively, "Debtors") for the entry of an order, pursuant to sections 105(a) and 365 of title 11 of the United States Code (the "Bankruptcy Code"), authorizing Debtors to assume and assign to Buyer the executory contracts and unexpired lease identified on Exhibit A attached hereto (the "Assigned Contracts"), as more fully set forth in the Motion; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012; and this Court having authority to enter a final order consistent with Article III of the United Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b); and this Court having found

<sup>2</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

that Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing, if any, before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. The requirements of Bankruptcy Rule 6006(f) are hereby waived as they relate to the Motion.
3. The assumption and assignment of the Assigned Contracts pursuant to the terms of this Order is integral to the APA, is in the best interests of Debtors and their estates, creditors, and other parties in interest and represents the reasonable exercise of sound and prudent business judgment by Debtors.
4. Pursuant to section 365(a) of the Bankruptcy Code, Debtors are authorized and directed to assume and assign the Assigned Contracts to Buyer free and clear of all liens, claims, encumbrances and other interests arising prior to assumption and assignment, except for Buyer's obligation to pay certain applicable Cure Costs. With respect to each Assigned Contract, payment of the Cure Costs shall (a) effect a cure of all monetary defaults existing thereunder, (b) compensate the applicable Assigned Contract counterparty for any actual pecuniary loss resulting from any such default, and (c) together with the assignment of the Assigned Contracts by Buyer, constitute adequate assurance of future performance thereof.

5. Any provision in or effect of any Assigned Contract that prohibits or conditions the assignment of such Assigned Contract or allows the counterparty to such Assigned Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Assigned Contract, constitutes an unenforceable anti-assignment provision that is void and of no effect pursuant to section 365(f) of the Bankruptcy Code. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by Debtors and assignment to Buyer of the Assigned Contracts have been satisfied, and such assumption and assignment shall not constitute a default thereunder. Upon the closing of the APA and the payment of the required Cure Costs, Buyer shall be fully and irrevocably vested with all right, title and interest of Debtors under each Assigned Contract, and Debtors shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability to the counterparties to such Assigned Contracts.

6. Assumption of the Assigned Leases shall be effective notwithstanding a dispute over the proposed Cure Costs. In accordance with the terms of the APA, Buyer shall pay the Cure Costs as soon as practicable after assumption of any Assumed Lease pursuant to this Order. Any disputed Cure Cost must be paid promptly after the earlier of (a) the date on which Debtors and the counterparty to the Assigned Contract agree on an amount or (b) the date specified in a final and non-appealable order entered by this Court determining such amount. Debtors and Buyer shall cooperate concerning the resolution of disputed Cure Costs.

7. Upon the entry of this Order, the counterparties of the Assigned Contracts shall be forever barred and enjoined from asserting against Debtors any defaults, claims, interest or other default penalties under the Assigned Contract arising prior to the date of this Order.

8. Assumption of any Assigned Contract or payment of an associated Cure Cost does not represent a waiver by Debtors of any rights, claims, or defenses in connection with or arising under any such Assigned Contract.

9. Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

10. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Order.

Upon the motion (the "Motion")<sup>2</sup> of the above-captioned debtors and debtors in possession (collectively, "Debtors") for the entry of an order, pursuant to sections 105(a) and 365 of title 11 of the United States Code (the "Bankruptcy Code"), authorizing Debtors to assume and assign to Buyer the ~~Assigned Leases set forth on Exhibit B to the Motion~~executory contracts and unexpired lease identified on Exhibit A attached hereto (the "Assigned Contracts"), as more fully set forth in the Motion; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012; and this Court having authority to enter a final order consistent with Article III of the United Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b);

<sup>1</sup> Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, include: Sizmek Inc. (4624); Point Roll, Inc. (3173); Sizmek DSP, Inc. (2319); Sizmek Technologies, Inc. (6402); Wireless Artist LLC (0302); Wireless Developer, Inc. (9686); X Plus One Solutions, Inc. (8106); and X Plus Two Solutions, LLC (4914). The location of Debtors' service address for purposes of these chapter 11 cases is: 401 Park Avenue South, 5th Floor, New York, NY 10016.

<sup>2</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

and this Court having found that Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing, if any, before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. The requirements of Bankruptcy Rule 6006(f) are hereby waived as they relate to the Motion.
3. The assumption and assignment of the Assigned Contracts pursuant to the terms of this Order is integral to the APA, is in the best interests of Debtors and their estates, creditors, and other parties in interest and represents the reasonable exercise of sound and prudent business judgment by Debtors.
4. Pursuant to section 365(a) of the Bankruptcy Code, Debtors are authorized and directed to assume and assign the Assigned Contracts to Buyer free and clear of all liens, claims, encumbrances and other interests arising prior to assumption and assignment, except for Buyer's obligation to pay certain applicable Cure Costs. With respect to each Assigned Contract, payment of the Cure Costs shall (a) effect a cure of all monetary defaults existing thereunder, (b) compensate the applicable Assigned Contract counterparty for any actual pecuniary loss resulting from any such default, and (c) together with the assignment of the Assigned Contracts by Buyer, constitute adequate assurance of future performance thereof.

5. Any provision in or effect of any Assigned Contract that prohibits or conditions the assignment of such Assigned Contract or allows the counterparty to such Assigned Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Assigned Contract, constitutes an unenforceable anti-assignment provision that is void and of no effect pursuant to section 365(f) of the Bankruptcy Code. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by Debtors and assignment to Buyer of the Assigned Contracts have been satisfied, and such assumption and assignment shall not constitute a default thereunder. Upon the closing of the APA and the payment of the required Cure Costs, Buyer shall be fully and irrevocably vested with all right, title and interest of Debtors under each Assigned Contract, and Debtors shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability to the counterparties to such Assigned Contracts.

6. Assumption of the Assigned Leases shall be effective notwithstanding a dispute over the proposed Cure Costs. In accordance with the terms of the APA, Buyer shall pay the Cure Costs as soon as practicable after assumption of any Assumed Lease pursuant to this Order. Any disputed Cure Cost must be paid promptly after the earlier of (a) the date on which Debtors and the counterparty to the Assigned Contract agree on an amount or (b) the date specified in a final and non-appealable order entered by this Court determining such amount. Debtors and Buyer shall cooperate concerning the resolution of disputed Cure Costs.

7. Upon the entry of this Order, the counterparties of the Assigned Contracts shall be forever barred and enjoined from asserting against Debtors any defaults, claims, interest or other default penalties under the Assigned Contract arising prior to the date of this Order.

8. Assumption of any Assigned Contract or payment of an associated Cure Cost does not represent a waiver by Debtors of any rights, claims, or defenses in connection with or arising under any such Assigned Contract.

9. Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

10. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Order.
